Grant Review Board:

It is with great enthusiasm that I write this letter to express support for Clothing INC's mission. No doubt that without Clothing INC the basic need of clothes among a growing number of students who attend Mt. Pleasant Public Schools would go unmet.

Clothing INC has been a resource for many of Mt. Pleasant Public School students and families who are in need. As homeless education liaison for Mt. Pleasant Public Schools, we would not have been able to meet these needs without the support and generosity of Kaye Peasley and Clothing INC. Kaye made it clear from the beginning that "her closet was my closet" when seeking items for homeless students. From prom and homecoming dresses to outerwear, Clothing INC has been able to provide it all. Knowing that there is a FREE clothing resource in our community helps stretch the limited resources Mt. Pleasant Public Schools has to support homeless students a little further that allows up to make a bigger impact.

The ability to provide clothing to a person who does not have the means to pay is what Clothing INC is all about. Students and families are so grateful to learn about Clothing INC. Mt. Pleasant Public Schools is committed to supporting Clothing INC. which provides a necessary resource for many in our community who are in need of basic items. Clothing INC. is a worthwhile organization to support; it is highly organized, compassionate, and provides a source of pride for those who volunteer countless hours to make a visible difference.
